

Limited Replacement Parts Warranty

Parts purchased from an authorized Peterbilt dealer that were purchased by the dealer from PACCAR Parts Division are warranted by PACCAR Parts to be free from defects in materials and workmanship for the period of 12 months from the date of retail sale when returned to a Peterbilt dealership unless otherwise stated below.

The customer's sole and exclusive remedy against PACCAR Parts arising from this warranty is replacement of the defective part or subcomponent. If a Peterbilt dealer installed the failed part and if a Peterbilt dealer does the subsequent repair, the labor is covered.

Warranty Disclaimer and Limitations of Liability

Except for the express warranty stated above, PACCAR Parts makes no warranties, either express or implied, for or with respect to any part purchase, and **MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE** of any kind or character.

PACCAR Parts shall not be liable for incidental or consequential damage, including but not limited to, loss of income; damage to vehicle, attachments, trailers and cargoes; towing expenses; fees; or any liability with respect to any other person.

Your failed part and sales receipt must be returned within the warranty period to an authorized Peterbilt dealership to obtain warranty. Parts replaced under this warranty carry the remaining warranty time from the original purchased part.

Extended Warranty Coverage

Selected items set forth on the Extended Warranty Schedule are warranted by their original manufacturer for extended periods in addition to and beyond this PACCAR Parts warranty. While PACCAR Parts administers these on behalf of the manufacturer and as a service to the dealer and customer, PACCAR Parts assumes no responsibility for the manufacturer's obligations.

Items Not Covered by This Warranty
